

Going Green Corner during Coffee Hour

During the next several months, you will notice a new activity during Coffee Hour. The **Going Green Corner** will provide an informal way for members to discuss their experiences with “greening” their homes and ways of life. The following St. John’s members have volunteered to be available during this time for questions you may have regarding their experience with the topics listed. Additional reference material on the stated topic will also often be available.

Date	Topic	St. John’s Member
Sunday, April 29	Geothermal heat pumps & solar collectors for hot water heaters	Nancy Davis
Sunday, May 6	Wind Power	Pam Schafer
Sunday, May 13	Compact Flourescent Lightbulbs	Paul & Julie Steege
Sunday, May 20	Hybrid Cars	Michael & Kirry Talone
