# A CHURCH FAMILY, A FAMILY CHURCH

From "On the Parables of the Mustard Seed" by Denise Levertov

...the seed within us, so small we take it for worthless, a mustard-seed, dust, nothing. Glib generations mistake the metaphor, not looking at fields and trees, not noticing paradox. Mountains remain unmoved. Faith is rare, He must have been saying, prodigious, unique one infinitesimal grain divided like loaves and fishes, as if from a mustard-seed a great shade-tree grew. That rare, that strange: the kingdom a tree. The soul a bird. A great concourse of birds at home there, wings among yellow flowers. The waiting

kingdom of faith, the seed waiting to be sown.
